The Director expressed interest in obtaining a debriefing from the Clifford-Taylor trip to the Far East. He suggested that Parrott call General Taylor and that, if the General is willing to be debriefed, the ADD/I can then decide who should have the action. DDCI suggested that General Taylor might be willing to address the Board of National Estimates.

The Director discussed arrangements for the Congressional dinner on Wednesday.

In reply to a question Warner said that he will be going to the Hill today, at which time he will attempt to ascertain the status of our budget.
